

WAVES
AT THE WATERFRONT DISTRICT

SOBHA HARTLAND

Welcome to the
Waterfront District
at Sobha Hartland

ABOUT WAVES

Hartland Waves, by the Waterfront District, is a crisp clean architecture that stands tall in front of the 1.8 km boardwalk that Sobha Hartland enjoys on its waterfront side. The façade is a simple play of horizontal and vertical forms that give uninterrupted 360-degree views to the tower, that will enjoy the sunrises and sunsets of every beautiful day. The two acute corners have a vertical emphasis leading the eye to a light-weight floating roof giving a sense of breeziness and lightness to it.

Hartland Waves will be the first tower across the Waterfront District of Sobha Hartland.
